

# Our New Link With Sri Lanka

As mentioned in the last Newsletter, Mrs Graham travelled to Sri Lanka in October on behalf of the local authority to establish links with twelve schools. The trip was an invaluable insight into the education system of this county, as well as their traditions and lifestyles. We are now linked with a school called Athubode Vidyalaya in the Southern Walasmulla District. We are in touch with the school via email regularly and are now working on filling in the required paper work to enable us to apply to the British Council for funding.

We are hoping to begin a project together to help develop the children's awareness of other cultures and traditions. We hope to swap photographs, clothing, food, toys etc with Sri Lanka and really bring this topic alive with first hand experiences. We will find out if our application has been successful early next year and will let you know as soon as we do.
